Collected Information:
Shekuvolu Vadeo, Daughter of Vechuli Vadeo and Shevosalu Vadeo, lives in Phek district, Nagaland is an example of hard work and dedication.

Bio: (Background of the Candidate)
She is a graduate and comes from a big family with eight members, 2 brothers, 3 sisters, and parents. Her father is a farmer; he is the only bread earner in the family. It is hard to sustain a stable life with so less income and feed so many members of the family and give proper education to all the children.

Programmatic intervention: Details of training undergone
After graduation, she was seeking employment to improve her family's financial status. However, she couldn't find a job as there are so many unemployed youths in Nagaland with fewer employment opportunities. So, she decided to look for a professional course or skill training which will enhance her skills. She came to know about DDU-GKY tourism and hospitality training through social media. So, she called the given number and got the details of the training, which she found quite interesting. So, she thought of giving it a try and registered. Once she joined the training centre and got to know more about the tourism and hospitality sector, she knew this was the right career path. She completed 6 months of classroom training and 1 month of OJT of Food & Beverage Service-Steward training from **PLS Auto Shell Industries Private Limited** under DDU-GKY.

In her own words: (Few words from the candidate)
I am very thankful to **PLS Auto Shell Industries Private Limited** for always helping me and supporting me. I would also like to thank **MORD, the Government of India** for sponsoring DDU-GKY, which has helped many unemployed youths of India, and **NSRLM – RD Dept., Government of Nagaland** for implementing DDU-GKY in Nagaland.
I would encourage all young boys and girls from different parts of rural India to take up the DDU-GKY training. When the government is giving free training with 100% placement, grab the opportunity and become independent and sustain your life.
