

KEVINGUNU KHANYO

Collected Information:

Kevingunu, daughter of **Koho Khanyo** and **Achun**, lives in **Urura village, Chumoukedima, Nagaland 797103**. She is a responsible woman who never gives up and goes out of her comfort zone to climb the ladder.

Bio: (Background of the Candidate)

After she completed her 12th standard she gave up her studies in pursuit of job as her family had no means to support for her studies although she wanted to continue. Left with no choice, **Kevingunu** decided to take up skill development training from **DDU-GKY** which seemed to be her hope for survival since her parents could not afford for paid course training.

Programmatic intervention:

After giving up her studies, **Kevingunu** started looking for a job but the salary package was not sufficient given her qualification and family's dire situation. Therefore, she decided to take professional course in skill development training on **F&B Service Steward** under **DDU-GKY**. Right after her completion of training, she got placed at **Westin Mindspace, Hyderabad** as **Guest Service Associate** with salary package of **11,600/-** which was later revised to **14000/-**. She worked there for **22 months** however she did not see any progress in promotion given her dedication and hard work so she decided to change the property at **PRKP Hospitality LLP** as **Guest Service Associate** on **10th of November, 2023** wherein she got promoted to **Captain, F&B Department** with a remuneration of **18500/-**.

Before and after training:

Before taking this training, Kevingunu was going through lot as her family's financial status was not stable due to which she had to give up her studies without her will. Being the eldest in the family, she had to sacrifice her needs and wants to meet the family ends. Her father was a daily wage earner and he could not afford to provide basic family needs. So in order to meet the family ends she decided to look for jobs in Dimapur town however she was left with disappointments as she got rejected everywhere for her educational qualification and inexperience's. However, life now, after the training, she got job with good salary package and got an opportunity to travel as well. She is helping her family at **Urura village** and also creating an opportunity for herself. She has future plans to strive more, gain experiences and aim for a higher position that will help her find stability in life. It is all thanks to her and her dedication that her family does not have to struggle for their daily bread.

In her own words: (Few words from the candidate)

I am very grateful to **PLS Auto Shell Industries Private Limited** for the constant guidance and support in my pursuit to career and opportunity. I would also like to thank **MORD, the Government of India** for sponsoring **DDU-GKY** and **NSRLM – RD Dept. Government of Nagaland** through which I am able to support myself.
