

TESTIMONIAL

FOOD & BEVERAGE SUPERVISOR

I am Ms. Imlijungla and I availed the free training of 6 months in Food & Beverage Service from Bhawani Marketing Pvt. Ltd. Dimapur under Deen Dayal Upadhyaya Grameen Kaushalya Yojana (DDU-GKY), sponsored by Ministry of Rural Development (MoRD), Government of India in collaboration with Nagaland State Rural Livelihood Mission (NSRLM), Government of Nagaland.

I learned about DDU-GKY skill programme from the Mobilization Camp conducted by Bhawani Marketing Pvt. Ltd. at Tuli, Mokokchung. Consequently, I enrolled in this program with an aim to chase my lifelong dream of building a career in the hospitality sector. Post training, I secured a placement in The Leela Palace, Chennai as an F&B Assistant with a monthly salary of 15,120 INR. Since then, I have been serving the organization with sincerity and loyalty, for which I have received a promotion and currently hold the post of Food & Beverage Supervisor with a salary of 21,416 INR per month.

I am privileged to be awarded with the prestigious award, "EMPLOYEE OF THE MONTH, July 2023" for my selfless contribution towards the organization. I feel proud to have achieved such big milestone and I am still determined to forge ahead and make an indelible mark in my career.

I am thankful to MoRD, Govt. of India and NSRLM for jointly initiating DDU-GKY skill Programme as it has proved to be a great platform to realize my career goals. Thanks to DDU-GKY, today I'm empowered and self-reliant and supporting my family financially.

I also owe my success to the entire team of Bhawani Marketing Pvt. Ltd. for their skilled mentorship and guiding me from the start till date.

Special thanks to my family for their endless support in my journey.
